Dear Sir:

In response to the Advisory Action and Examiner's Final Action mailed July 21, 2003, having a shortened statutory period for response that expired October 21, 2003, and an extended period for response set to expire January 21, 2004, the above-identified patent application is amended as follows:

AMENDMENT A

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (currently amended) A method of preconcentrating trace analytes, comprising the steps of:

~~providing processing a hollow capillary by hydrothermal treatment; having at least one sol-gel extraction medium within said hollow capillary; said sol-gel extraction medium~~
